Calypso introduces new analog and digital models celebrating the oversize case. The plastic is again the star of the collection, this time in more sober colors, giving prominence to the small details of the case, which are expressed in more vivid colors and great personality.

The K5634 analog model is notable for the striking colors in the contour of the bezel and the dial numbers in contrast with the sobriety of black PU strap and dark background of the box. Meanwhile, the digital models K5663, K5607 and K5577 are equipped with large box (50, 48 and 47.30 mm, respectively), and use bright colors so characteristic of Calypso to highlight some of their belts and Details of the box.

Calypso again the perfect symbiosis between the timeless, utilitarian and modern. With Calypso never give up anything.
